Myers Cocktail Injection

Overview

Comprised of essential multivitamins and other nutrients, this cocktail premix is formulated with vitality, longevity, and pain management in mind. In July 2026, Olympia introduced a reformulation of Myers Cocktail, including a higher concentration of ascorbic acid and other nutrients. This upgraded formulation is designed to maximize antioxidant protection, enhance cellular health, and support patients seeking optimal wellness and recovery.

Ingredients

- **Ascorbic Acid 200mg/mL**
- **Magnesium Chloride 10mg/mL**
- **Dexpanthenol 4mg/mL**
- **Riboflavin-5'-Phosphate 3mg/mL**
